

**UNIONVILLE COMMUNITY ASSOCIATION  
VETERANS WALK PATH FUNDRAISER**

**To honor our service men and women we would like to install a walk path in our Kemp Park. The walk path would be red brick pavers with a entrance from M-25 to the flag pole, and if enough are sold the path would also advance to the band shell. Anyone who has served in our armed forces would be honored to have their names and rank and units etched in pavers and placed in the park.**

**These would be great gifts for birthdays or anniversaries or for Father's Day or Mother's Day. The cost of the pavers is \$40.00 for a 4x4 brick or \$100.00 for a 8x8. The 4x8 bricks allow 15 characters per line with 3 lines. The 8x8 brick allows for 15 characters per line with five lines. Count any spaces as a character including - or / .Don't use periods, use one letter or symbol per square. Start at the left and work across, the engraver will center this for you. A persons name may require two lines. If you need help contact Judy Remar at 989-551-0107.**

**Example:**

**Norm Jackway USAC WW11**
